Worship Opportunities in July

“He does not need to transplant us into a different field, but right where we are, with just the circumstances that surround us, he makes his sun to shine and his dew to fall upon us, and transforms the very things that were before our greatest hindrances into the chiefest and most blessed means of our growth. No difficulties in your case can baffle him, no dwarfing of your growth in years that are past, no apparent dryness of your inward springs of life, no crookedness or deformity in any of your past development, can in the least mar the perfect work that he will accomplish, if you will only put yourselves absolutely into his hands and let him have his own way with you.”

-Hannah Whitall Smith
