Jubilatte's Mission

Jubilatte is more than a place to get great coffee. It is a welcoming place where we get to know people socially, intellectually, and spiritually. We believe we are all children of God and worthy of love. Come to Jubilatte and fill your cup and your soul!

Through small group studies, interfaith dialogue, or casual conversation, Jubilatte provides a variety of ways for spiritual growth and nurture. We're about CONVERSATION NOT CONVERSION.

Jubilatte serves drip coffee, chai, lattes, frappes, mochas, and a variety of teas. We also serve scones, muffins, and cookies made fresh from Sprinkles of Joy bakery. (sprinklesofjoy.net). Gluten-free options are available.

Coffee to Feel Good About

Jubilatte is proud to be partners with Portland Roasting Coffee. When you drink Portland Roasting Coffee, you are supporting coffee growing communities in need around the globe. PRC is committed to life-enhancing projects in coffee growing regions. Our coffee purchases have helped support community projects at all ends of the globe. Together, we have planted shade trees in El Salvador, provided school supplies for an orphanage in Sumatra and placed water wells in East Africa.
