## Growing In Faith TOGETHER

Faith development and spiritual growth happen best in community and GIFT provides these monthly opportunities through Messy Church, all-church breakfast, and special outings. Intergenerational ministry fosters relationships at a deeper level as kids and adults learn together what it means to be a disciple of Christ. Sharing our faith and doubts with one another is a truly a gift!

## Children in Worship

The only way for children to learn how to worship is to be present in worship. We want our children to feel like they belong to this community of faith, and we understand that they are never perfectly quiet or still and that's okay. The sound of children in worship indicates an alive and thriving congregation. To assist you and your children, you will find activity bags filled with paper and markers as well as a basket full of "worship buddies". During the Water's Edge service at 11:00am, a "pray ground" will be available for children to color, craft, and/or build.
